Counsel are to meet and confer and recommend (in the next Joint Status Conference Report) early deadlines for the following events in accordance with the discussion at the status conference this date, as reflected in the court reporter's official notes:

- (1) Plaintiff's production of documents (including social media) and written discovery as to the bellwether discovery pool Plaintiffs;
- (2) Defendants' production of user documents for the bellwether discovery pool Plaintiffs;
- (3) Substantial completion of Defendants' medial record collection for the bellwether discovery pool Plaintiffs;
- (4) Scheduling of depositions of each bellwether discovery pool Plaintiff and 2 (or 3) key witnesses for such Plaintiff and one treating medical professional for such Plaintiff;
- (5) Completion of the depositions reference in (4).

Counsel also are to meet and confer and recommend to the court whether trial bellwether selection can take place based on the discovery referred to above.

Counsel also are to meet and confer and state their respective positions with respect to: (a) an early determination of jury instructions on the subject of negligence and causation and whether such determination would also require a ruling on choice of law for each trial Plaintiff; (b) whether non-case-specific experts and/or causation experts can be designated prior to the close of all merits discovery and, if so, whether Sargon motions can proceed following such designation (and appropriate discovery regarding such experts).

The parties and the court discuss Plaintiffs' proposed order regarding CSAM that might be found during production of Plaintiffs' social media documents and Defendants' proposed amendments thereto. The court indicates its intention to sign an amended order, as reflected in the court reporter's official notes, and Plaintiffs' counsel are to submit a Word version of the proposed order by 10 am on August 30 so that the court can amend and enter the order in accordance with the discussion at the status conference.

Counsel are to continue to meet and confer regarding Plaintiffs' and Defendants' production of discovery specific to bellwether discovery pool Plaintiffs and indicate areas of continuing disagreement in the next Joint Status Conference Report.

Court and counsel also discuss bellwether Plaintiffs responses to RFP Set One that are misnumbered or otherwise have clerical errors. Plaintiffs are to make corrections and re-serve the responses immediately and follow-up with verifications. After corrected responses are served, counsel shall meet and confer regarding any contentions by Defendant that the responses are incomplete or insufficient.
